## FILE SUIT ON LAND CONTRACT

Joseph D. Wolfe and George E. Wolfe, members of the firm of Wolfe Bros., have instituted proceedings against Albert E. Ley in the circuit court to require the defendant to turn over a parcel of land in Turnout and Mack's addition which it is alleged the defendant agreed to sell. According to the complaint the plaintiffs agreed to purchase the land and paid down \$100 to bind the bargain but when

the remainder of the consideration was due the defendant refused to accept the money and refused to execute a deed or transfer to real estate. The plaintiff asks that the defendant be required to keep his agreement and to execute the deed together with an abstract of title thereto.

**TO ATTEND CONFERENCE.**  
Several secretaries of the Y. M. C. A. are planning to attend the annual conference of the employed officers of the Y. M. C. A. to be held at Fort Wayne, Ind., May 18.

A woman on her feet all day very often has backache, dizzy feelings at times, and pains here or there. If she will listen to what her neighbors say, and to the women who have had the experience, she will go to the nearest drug store and obtain a bottle of Dr. Pierce's Favorite Prescription. This is just the womanly tonic she needs periodically, and many are the women who express themselves as deeply indebted to Dr. Pierce for this wonderful discovery. It is an herbal nerve tonic which strengthens the weak woman and overcomes many of those diseases which cause backache, headache, dizzy feelings, sometimes fainting spells, and those distressing pains and bearing down feelings. Read what this woman says:

Kalkaska, Mich.—"I cannot write enough to express my thanks for being able to recommend Dr. Pierce's Favorite Prescription. Motherhood left me in a very bad condition for which my doctor could not help me, but 'Favorite Prescription' has done wonders for me. I took two bottles of the 'Prescription' and have been helped wonderfully, being able now to do my own housework and work out besides. I have been entirely relieved. I feel like a new woman and will do all in my power to help other sufferers. I wish I could speak to the thousands of suffering women who have tried so many other remedies and advise them to try the 'Prescription' for it is a God-send to run-down women."—MRS. W. C. HIND

# You too can try this fascinating REALISM TEST

We give it in our store. You can hear it exactly as did the noted psychologists who visited the Edison Shop on Fifth Avenue, New York.

You've been hearing about the astonishing realism of the New Edison.

Now you ask: "Is this realism so true that I feel the same emotions in listening to the New Edison as I feel in listening to the living singer?"

Our answer is—put the New Edison to the test!

Mr. Edison devised his unique Realism Test for this very purpose. Then he invited distinguished psychologists to try it out.

Each of the three men got sensations that were startlingly vivid.

"I could have sworn there was a living singer standing behind me," said Dr. W.

V. Bingham, Director of the Department of Applied Psychology, Carnegie Institute of Technology.

"I felt the presence of a living singer. The accompaniment seemed by a separate instrument," reported Prof. C. H. Farnsworth, Director of the Department of Music, Teachers' College, Columbia University.

"The music filled my mind with thoughts of peace and beauty," said Wilson Follett, Esq., noted music critic.

We'd like to have you come into our store and try this same test. See what sensations you get. The Realism Test is the conclusive way for judging the realism of the New Edison.

Ask about our Budget Plan. It shows you how to buy your New Edison.
